

2015 Teacher of the Year

Mr. Chris Tachick
Faith Christian School, Coleman, WI

As a school, we are thrilled to hear that our nomination will be given the WACS Secondary Teacher of the Year Award. This staff member attended all his elementary and secondary years at Faith Christian School. After college, he returned to FCS as a full time teacher. We are thankful for the hard work, dedication, and service Mr. Chris Tachick has provided for the past 10 years. It is not uncommon to see Chris putting in extra time to help students with math or science. In addition to teaching, he leads music in chapel and at his local church, serves on the deacon board, helps with children's ministries, and coaches boys' basketball. The students value his spiritual insight and godly love that he shows every day. Congratulations Chris! We've been blessed to have you on staff at Faith Christian in Coleman.
