

SECONDARY TEACHER OF THE YEAR

Heidi Braugler

Recommendation:

I would like to recommend Mrs. Heidi Braugler for the "Class Act" Tribute. Since our Academy consists of just 70 some high school students, the faculty has the wonderful privilege to be involved in the lives of the students in many capacities. Mrs. Braugler is our upper level math teacher. Her class room innovation and management is outstanding. Her students love math and excel on many levels from national testing, ACT scores, local academic meets, and in college once they finish their education here.

Mrs. Braugler uses interactive activities regularly in her math classes. The Academy has a Bible quiz team which competes in various tournaments, and Mrs. Braugler is the sponsor for that team. She inspires and motivates the young people to commit large portions of Scripture to memory as they prepare for their meets. Mrs. Braugler keeps stats for some of our girls' sports and is one of our most faithful fans and cheerleaders on the sidelines of games.

Mrs. Braugler is actively involved in student leadership training and development on campus as we seek to train and prepare young people to be good citizens and leaders in their homes, churches, and communities. Mrs. Braugler loves her students. This is evidenced by the long hours and careful preparation on her part and by the love and respect shown toward her by the student body here in the Academy.
