

2014 Teacher of the Year

Mrs. Jeanette Terpstra
Faith Baptist School, LaCrosse, WI

Jeanette has been teaching for 30+ years. First in Iowa and for the past 20+ years at Faith Baptist School in La Crosse. The skills she has passed on to her students have helped them to prepare for college and beyond. Students come to her daily asking for help not only in English, but also for her guidance as they face challenges. She passes her wisdom on to students with only their thanks for compensation. Jeanette arrives at school early so she can greet student with a smile to show them that she loves them. She is truly an amazing teacher, wife, and mother.
