

## 2015 Teacher of the Year

**Miss Leah Stevens**

Utica Christian School, Stoughton, WI

Leah came to Utica directly from college and immediately became an important part of the school program. She loves and prays for each of her students and strives to give them not only a quality education but teaches them what it means to walk with God. She is an example to all her students, parents and colleges of a dedicated, sacrificial Christian educator and we are blessed to have her at Utica Christian School.
