

2012 Secondary Teacher of the Year

Nancy Schuyler

Mrs. Nancy Schuyler currently teaches at Calvary Baptist Christian School where she has been for 14 years. She has a total of 34 years of teaching experience. Her devotion to discipleship through teaching is only outshined by her willingness to leave the classroom to administrate at CBCS. She has taught about every grade from 1st through 8th. Nancy has loved her students and modeled for them what love for god and academic excellence looks like. She has been a faithful teacher and assistant principal for many years at Calvary.

During a period of time when the school was without a full-time administrator, Nancy not only taught her classes, but took on many of the responsibilities of a principal. Many long days and late nights were given to make sure details were taken care of for a smooth school day – this done after a full day of teaching. This year, Nancy has been able to be a full-time teacher and has dedicated her attention to her students and preparing herself for her classes. Calvary would not be the school that it is without the guidance, care and love that Nancy has shown.

Nancy currently teaches math, English, history and computers. She also teaches a reading class to the 5th and 6th graders. With 34 years of experience, Nancy has a wealth of knowledge and insight to add to the program at Calvary. Nancy and her husband Max are faithful members of Calvary Baptist Church where they have served faithfully while at Calvary.
