

## Wyldeewood Christian School Fall Sports Rules due to COVID-19

- Masks are optional for all attending sporting events at Wyldeewood. This includes fans, coaches, players and referees.
- Children attending the games must always be with a parent.
- All spectators and players must remain in the gym unless using the restrooms. All other areas of the building are off limits. There will be no loitering in the lobby.
- There will be no available locker rooms this fall for home or visiting teams. All players must arrive and leave in their team uniform.
- There will be no sharing of benches. Whatever side the players are on is where they will stay for the duration of the volleyball match.
- There is no shared serving. Adequate warm up time will be given so that each team can serve on their own.
- When the game is over there will be no handshake. Each team may line up at their own 10 ft. line and the home team will start by applauding the visiting team. The visiting team will then reciprocate that to the home team and the teams will walk off the court to their bench and leave from there.
- We will not have concessions this year.

Contact the WCS secretary, Rebekah Longsine, with any questions.
